SCHOOL EXCURSION / INCURSION NOTIFICATION

Dear Parent/Caregiver, an excursion/activity has been organised for your child.

Excursion / Incursion	Sydney Visual Art and Ancient History Excursion Itinerary
Date	Wednesday 20th March 2024
Year / classes involved	50 students from the Visual Arts and Ancient History classes from Years 11 and 12.
Location	Australian Museum, Art Gallery of New South Wales
Purpose	Students will travel to Sydney to see two exhibitions. Students will be able to see an exhibition that directly links the HSC syllabus for the Historical period with a significant section of the HSC study that occurs in 2024 and 2025. Ramses and the Gold of the Pharaohs is an all-new, immersive museum experience that gives visitors a window into the life of Ramses the Great, commonly hailed as ancient Egypt's greatest ever pharaoh. This is the largest cultural exhibition to visit Australia in over a decade. For other students on the excursion who do not study Ancient history this is still an opportunity to see the art of Ancient Egypt. Students will also view ARTEXPRESS 2023 . This exhibition, in the Art Gallery of New South Wales' historic South Building, encompasses a broad range of approaches and expressive forms, including ceramics, collection of works, documented forms, drawing, graphic design, painting, photo media, printmaking, sculpture, textiles and fibre, and time-based forms. Featuring a selection of outstanding student artworks developed for the art-making component of the HSC examination in Visual Arts in 2022, ARTEXPRESS 2023 provides insight into students' creativity and the issues important to them. For other students on the excursion who do not study Art this is still an opportunity to enjoy an artistic exhibition that does not come to the Hunter.
