

2021 HIGHER SCHOOL CERTIFICATE EXAM TIMETABLE

Tuesday 9 November to Friday 3 December

Important information about your written exams timetable

This document provides important information about your written HSC exams. Find out more at educationstandards.nsw.edu.au/wps/portal/nesa/11-12/hsc/key-dates-exam-timetables.

Your personal exam timetable

Your personal exam timetable is available from studentsonline.nesa.nsw.edu.au. This timetable lists your written exams and where you will sit for them (usually at your school). If there are errors or omissions in the exams you are entered for, contact your school immediately to supply us with the correct information. Take special care if you are entered for a VET course that has an HSC exam. If the exam does not appear on your personal timetable, you have not been entered for it. You must be entered separately for the exam if you expect to sit for it.

Preparing for your exams

When preparing for your exams, find out what to expect in the exam room and the exam paper, including where to write your answers. For each course you are studying, know the rules and requirements, and what to expect in each exam.

Information about the HSC exams

Make sure you have read and understand the *2021 Higher School Certificate Rules and Procedures* guide. You should have received a guide from your school and can also access it here: educationstandards.nsw.edu.au/wps/portal/nesa/11-12/hsc/rules-and-processes.

There are serious consequences for:

- cheating in an exam
- disobeying NESA's rules for exam conduct
- not making a serious attempt across a range of questions in each exam.

Any of these offences may result in reduced marks, course cancellation or loss of your HSC.

The timetable's exam starting time is when reading time begins. Arrive at your exam venue well before the time specified. Further information about your HSC exams is available on *Students Online*.

Disability provisions

If you have a disability that affects reading exam questions or responding to them under exam conditions, your school can submit an application for provisions to help you. If you have not already done so, speak to your school if you think this applies to you.

Exam equipment list

You should write in black pen. Make sure you bring spare pens to each exam. You may also bring a ruler, highlighters, pencils (should be at least 2B) and a sharpener, and a bottle of water in a clear bottle. You can wear your watch to your exams, but once you sit down you will have to take it off and place it in clear view on your desk. Programmable watches, including smart watches, will not be allowed in the exam room.

The following list shows the exams for which you are to bring specific equipment as there may be some exam questions that require the use of this equipment. If an item is listed as optional, it means that there will be no exam questions for which the item is essential. But you may bring and use it if you wish.

All equipment you bring is subject to inspection on entry. Make sure any equipment you are allowed to bring, such as a calculator, is in good working order because an appeal under misadventure provisions for equipment failure will not be upheld.

What you *cannot* bring into your exam room

- ✗ A mobile phone. Mobile phones are not permitted in an exam room under any circumstances
- ✗ A programmable watch, eg a smart watch
- ✗ Any electronic device (except a calculator where permitted). This includes mobile phones or other communication devices, organisers, tablets (eg iPads), music players or electronic dictionaries.
- ✗ Paper or any printed or written material. You can ask your presiding officer for working paper.

- ✗ Correction fluid.

You are *not* allowed to borrow equipment during exams.
