### Sanitise

Students and teachers sanitise or wash hands when entering the classroom after muster and break times.

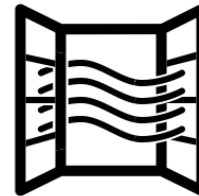

### Anti-Bacterial

Students wipe down any shared equipment with anti-bacterial wipes at lesson end.

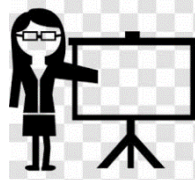

### Masks

Masks must be worn indoors and carried at all other times.

### Airflow

Keep classroom and office windows open all day to allow for appropriate airflow. Report window faults to the Principal.

### Teachers

Check number limits for each class/staff/meeting room. Masks off to enunciate is okay.

### Parents

Parents wait outside gates and follow current health orders (i.e., masks, social distancing).

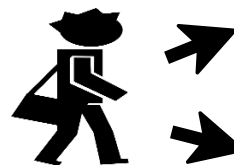

## Afternoons

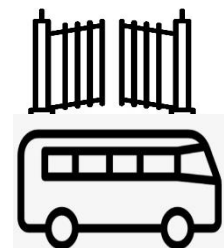

When the 3.00pm bell goes ...

Students collect their belongings.

Students make their way to any of the 4 exit gates.

Students waiting for buses do so in a Covid safe manner.
