Re: Change of Student Timetables 2024

Dear Parents and Carers,

Over the course of Term 1 we've had some staff movement due to promotions, transfers, and permanent appointments. While this is a great outcome for individual colleagues, we've had to adjust our school's 2024 student timetable as a result.

At Belmont High School we value the importance of student teacher relationships as partners in learning. As such, we are making the necessary changes to our 2024 student timetable as early as possible to allow students to develop a rapport with their new teachers and settle into their timetable.

We will be moving across to our new timetable from Monday 11th March (Week 7). We anticipate that this will be the only timetable change we will need to make this year.

Please note that we have prioritised our senior learners with senior classes (Years 11 and 12) remaining with their current teacher for continuity in their learning. Where possible, teachers in junior years have also maintained classes to minimise disruption.

Later this term we will be hosting our Year 7, 11, and 12 Parent Teacher Interviews (Week 11). Parent Teacher Interviews for Years 8, 9, and 10 will be held early Term 2 (Week 2).

We look forward to moving across to our new timetable next week as we strive with all students, supporting our students to achieve their potential (Quantum Potero).

Regards,

Brett Carr
Relieving Principal
