How to Download the Student CANVAS App on your phone

Why should I download the App?

The Canvas Student app allows you to access your courses and groups. You can submit assignments, participate in discussions, view marks and course materials. It also provides access to course calendars, To Do items, notifications, Conversations and messages.

iPhone

1. Open App Store on your iPhone or Play Store on your Android device

2. Open Search

3. Type 'Canvas Student' in the search field

4. Select the Get button
